CAPE

DUNSTANS

Work Health & Safety Policy

Cape and Dunstans are committed to providing and maintaining a safe and healthy workplace for all employees and people that come into contact with our operations, sites and activities.

We believe that health & safety is a personal responsibility and recognise the importance of leading and promoting the highest principles and practices to ensure enduring health & safety for everyone. Our goal is to achieve an injury and incident free workplace through ongoing commitment to best practice in health & safety and the support of a safety-focused culture.

In order to achieve this goal Cape and Dunstans will:

- Ensure all levels of management and employees understand and accept their health & safety responsibilities and are accountable for those matters within their control;
- Promote and sustain a safety-focused culture throughout all levels of Cape and Dunstans;
- Provide an environment in which all personnel can communicate and contribute on aspects dealing with health & safety in a proactive and collaborative manner;
- Implement and monitor performance against objectives and targets supporting this policy and support continuous improvement;
- Ensure formal and up to date policies, procedures, workplace instructions, hazard identification techniques and control measures are in place, are available and are communicated to personnel on an ongoing basis;
- Comply with applicable legal, client and other health & safety obligations;
- Comply with relevant standards and medical restrictions as prescribed by local and federal government bodies;
- Ensure effective management of fitness for work practices including but not limited to fatigue, drugs and alcohol, prescribed and non-prescribed medication, mental health and notifiable illnesses;
- Report and investigate incidents, hazards and near misses with a view to continually improving our safety culture and performance;
- Establish mechanisms to ensure consultation and communication at all levels of the company whilst recognising personnel for their commitment and performance in relation to health & safety;
- Provide appropriate levels of management, leadership and supervision;
- Provide and maintain plant and equipment;
- Provide appropriate and effective information, instruction and training;
- Communicate this policy to our people.

Cape will periodically review this policy to ensure our business continues to provide a safe and healthy workplace, effective and safe work systems and safely delivered outcomes that reflect our company values.
